2-DAY CAMP - \$50

COOS CAMP FUND

PARENTS ASKED TO MAKE A DOWN PAYMENT

The Camp Scholarship Team is asking parents to pay just a 1/3 of the cost this year. We are doing this for three reasons:

- To extend the financial benefit to more youth this year
- To have additional discretionary funds for those who need it
- To keep some money in the fund for the future

Every child who wants to go is WELCOME.

Last year, our generous church family sent 19 kids to camp for free. Let's spread the word and see if we can increase those numbers and inspire our youth. They're worth it!

Crossways Camp is a great way to grow in the faith.
